

GRANBY MARKETING SERVICES

ENVIRONMENTAL POLICY STATEMENT

Granby Marketing Services believe that businesses are responsible for achieving good environmental practice and operating in a sustainable manner.

We are therefore committed to reducing our environmental impact and continually improving our environmental performance as an integral and fundamental part of our business strategy and operating methods.

Specifically we will:

- Comply with all relevant environmental laws and regulations and any other applicable requirements that may be required of us through membership of any bodies or organisations.
- Inform all employees of their responsibilities in following good environmental practice and the contributions they can make to achieve continual improvements in environmental performance.
- Set clear environmental objectives and targets which are relevant to the nature, scale and environmental impact of our activities.
- Identify performance targets by which progress towards these environmental objectives can be measured and reviewed.
- Report on the results of monitoring of performance targets.
- Make this environmental policy available to members of the public upon specific request.

Granby Marketing Services has the following key environmental objectives:

- Reducing waste and re-using or re-cycling materials where appropriate.
- Liaising with our customers and suppliers to promote sound environmental practice in the selection, use and disposal of all materials used in the company's businesses.
- Reducing the consumption of energy by sensible energy management of our buildings and equipment.
- Preventing pollution of the air, land or water.
- Encouraging the development of good environmental practice by all the company's employees.
